684 Malayan st, Tenkasi, Tenkasi  
Tamilnadu - 627811

### Education

- school
  - 10th ST.Jhon's matric hr sec school, Tenkasi -627811
  - Percentage 77.4%
- Diploma
  - Nettur Technical Training Foundation Diploma, Computer Engineering and IT Infrastructure
- 9.24 CGPA

### Language

- English
- Tamil

### Skills

- Full Stack Development
  - HTML, CSS, JS, PHP,
  - Basic of React js
- Programming
  - c, c++, java, python,
  - django
  - basic of c#
- Cloud Computing
- Networking
- IOT

### About Me

I am a proactive 3rd-year computer engineering student seeking job opportunities through campus placements. With strong technical skills and a passion for innovation, I am eager to apply my classroom knowledge to real-world projects and contribute meaningfully to the industry. My commitment to excellence and enthusiasm for practical applications make me a valuable addition to any team

### Project

#### Online E-Commerce Shopping

- I developed an online e-commerce platform for groceries, enhancing the shopping experience with user-friendly features.
- This project honed my skills in web development and database management.
- Html, css, js, php

#### Music Web Applicaton

- I created a dynamic Music Web Application, offering users seamless music streaming and personalized playlists.
- This project sharpened my abilities in front-end and back-end
- Html, css, js, firebase, php..

#### Endhiran AI

- Endhiran is an AI assistant developed entirely in Python.
- It capable of opening applications and engaging in two-way voice interactions.
- It seamlessly integrates voice commands and responses, offering a hands-free, interactive user experience.

### Certificates

- CCNAv7: Switching, Routing, and Wireless Essentials
- CCNAv7: Introduction to Networks
- CCNAv7: Enterprise Networking, Security, and Automation
- Participation Certificate
  - Sri Sairam College -Web Development
- NSDC - Assistant Installation Computing and Peripherals
